Reviewing SEN support plans

Staff have been busy getting to know their new classes, supporting transitions and establishing new routines. Interventions are up and running and children are working towards the targets that were set at the end of last term. Teachers will be reviewing SEN support plans shortly and will be contacting parents to arrange a time to discuss these.

SEN local offer

The Bucks integrated service (iSEND) include Educational Health Care Coordinators (EHCCOs), the SEN inclusion advisor and Specialist teachers, who aim to give school-based staff the appropriate skills to enable to meet the varied SEND needs of pupils. I will be using this newsletter to share updates from iSEND with you. This month they have asked me to share with parents a survey as part of the Developing Better Value project.
